**The Museum at Warm Springs will be Closed
December 18, 2023, through January 31, 2024,
for a New Heating, Ventilation and Air Conditioning (HVAC) Installation**

(WARM SPRINGS, Ore., Nov. 13, 2023) — The Museum at Warm Springs will be closed for the installation of a new Heating, Ventilation and Air Conditioning (HVAC) system starting Monday, December 18, 2023, through Wednesday, January 31, 2024. The Museum will reopen on Thursday, February 1, 2024. Staff will be working throughout the closure but the public will not be allowed into the building at this time due to safety and health considerations.

“A new HVAC system has long been needed for The Museum; and we are grateful for the generosity of our funders, including the U.S. Congress/National Park Service, The Roundhouse Foundation, The Ford Family Foundation, Portland General Electric Foundation, Spirit Mountain Community Fund and Oregon Cultural Trust for helping us make this monumental and expensive job possible,” said Museum Executive Director Elizabeth A. Woody.

“The Museum must be closed during the installation because it will simply be too cold for the public as the doors need to be left open and workers will be coming and going,” said Woody. “However, our staff will still be working during this time so Warm Springs Tribal members who need to purchase ceremonial items from The Museum’s Gift Shop during the closure will still be able to do that.”

“We appreciate the public’s understanding our need to make The Museum warm and to protect our precious collections as well as our visitors,” said Woody, noting that there may be a need to close The Museum for another period of time after the initial six-week period closure due to potential uncertainty of equipment supply chains.

The “30th Annual Warm Springs Tribal Member and Youth Exhibit,” currently on view, will be extended through Saturday, March 2, 2024.
